Sir:

REQUEST FOR A CERTIFICATE OF CORRECTION OF OFFICE MISTAKE
UNDER 37 CFR 1.322

The Notice of Allowability of this application indicated that the Amendment filed June 7, 2004 was entered and that the allowed claims were 1-28.

In fact, the patent as issued does not include the amendments made to claims 1-6 in the June 7, 2004 Amendment. The reviewer will note that each of these claims 1-6 includes the feature "wherein the compounding ratio of the fine sucrose crystals to the soft candy is 1 to 30% by mass" and this feature is not present in any of claims 1-6 as issued in this patent.

Patentees request this oversight be corrected in the form of a Certificate of Correction.

Attached hereto is a draft Official Certificate of Correction for use by the Patent and Trademark Office correcting the above-identified matter (claims 1-6 only).

The Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper
